

The award-winning **Tripp Trapp by Stokke** is the only child's chair that can take you from baby to adult, keeping you secure and comfortable all the way. Children love interacting with family, and this chair allows them to sit at the same height as an adult, stimulating confidence and independence. \$249.99-264.99. Available at Junior Towne, Anchorage, or visit [stokke.com](http://stokke.com).

The **Nursing Bracelet** is more than a pretty piece of jewelry; it's also a reminder bracelet that tracks your breastfeeding schedule. It can remind you which breast you fed from last and the time that your baby last fed, using number beads and colored beads arranged to represent a 12-hour clock. The number beads represent hours and each colored bead indicates a 15-minute interval. A charm is moved to mark the time. \$29.95 for glass beads; \$64.95 for semi-precious stones. Available at Bellies & Babies, Fairbanks; Junior Towne, Anchorage; or visit [thenursingbracelet.com](http://thenursingbracelet.com).

The perfect swaddle made easy. The **Miracle Blanket** helps baby sleep on his back to reduce SIDS concerns and clinical studies prove that proper swaddling can often eliminate colic symptoms. The Miracle Blanket uses no velcro, zippers or other confusing adjustments that can scratch baby and one size fits all. \$29.95. Available at Belly, Baby & Beyond, Eagle River; Junior Towne, Anchorage; or visit [miracleblanket.com](http://miracleblanket.com).

Who says fixing owies can't be fun! **Medibag 4 Kids** is a kid-friendly approach to first aid. Doctor recommended and highly awarded in the juvenile industry. The medibag includes 117 quality safety items – all latex free. Great for home and on the go. \$12.95-\$19.95. Visit [me4kidz.com](http://me4kidz.com)
